

**Heat Exchangers Experts, Inc. – 2017
Hosted by PAACCA**

PAACCA is hosting one of the only “OPEN” classes on the East Coast with only 35 seats available.

Please register early so you don’t miss out!

Russell & Chris Prach will teach a training seminar on inspection techniques and procedures that help determine the condition of furnace heat exchangers. There will be approximately 50 furnaces and heat exchangers at the seminar for use in training. In this hands-on training, you will be guided through most inspections that you might encounter out in the field.
